

CONTROL WM™

DRIFT MITIGATION AND DEPOSITION ADJUVANT

INGREDIENTS:

Polyvinyl polymer (polyacrylamide, non-reactive)	37%
Formulation aids and inerts	63%
TOTAL	100%

All ingredients are exempt from tolerance requirements under 40 CFR 180.1001

GENERAL INFORMATION

CONTROL WM™ spray drift mitigation and deposition aid is a very effective, economical, and easy-to-use adjuvant for improving on-target spray deposition, retention and lowering evaporation. **CONTROL WM™** reduces drift and improves efficacy at very low rates when applied by ground or air. **CONTROL WM™** is compatible with generally used tank-mixtures.

PRECAUTIONS

Always use best spray management practices and follow pesticide label directions. **CONTROL WM™** by itself will not totally eliminate the potential for spray drift. Wear appropriate protection to avoid eye and skin contact.

KEEP OUT OF REACH OF CHILDREN

USE DIRECTIONS

Application	Rate oz/100 gal
Ground Depending on nozzle, setup, and spray mixture	1 to 5
Airplane Depending on nozzle, setup, speed, and spray mixture	2 to 8
Helicopter Depending on nozzle, setup, and spray mixture	1 to 4

- Factors that influence the optimum rate of **CONTROL WM™** include spray mixture components, pressure, nozzle type, application method, speed, and proximity to sensitive non-target areas. Use the higher recommended rates of **CONTROL WM™** when applying mixtures or under conditions that reduce spray droplet size, and when mixing with 2,4-D and dicamba.
- If additional drift reduction is needed, increase the rate of **Control WM™** until the desired effect is obtained.
- May use in aquatic applications at labeled rates.

STORAGE AND DISPOSAL

Store above 32°F and prevent freezing. Do not reuse empty container. Dispose of container in accordance with federal, state, or local regulations.

Seller makes no warranty of fitness or merchantability. Buyer agrees that seller's maximum liability shall not exceed the purchase price of this product.

WARNING:

Harmful if swallowed. Causes eye irritation.

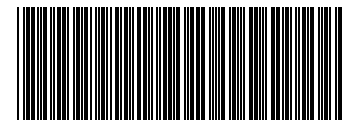

PRECAUTIONARY STATEMENTS:

Do not eat, drink or smoke when using this product. **If swallowed:** Call a POISON CENTER or doctor/physician if you feel unwell. **If in eyes:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do - continue rinsing.

FIRST AID:

Eye contact: Check for and remove contact lenses. Immediately flush eyes with plenty of water for at least 15 minutes, occasionally lifting the upper and lower eyelids. Get medical attention immediately. **Ingestion:** Wash out mouth with water. Do not induce vomiting unless directed to do so by medical personnel. Never give anything by mouth to an unconscious person. Get medical attention immediately.

Read Safety Data Sheet before using this product.
