

BLAZE™ is a unique blend of extremely effective, nonionic biodegradable surfactants. **BLAZE** has been developed through years of comparative field trials. The blend of surfactants can greatly enhance herbicide performance when herbicide labels recommend additional surfactant.

In addition to herbicides, **BLAZE** is also very efficacious with fungicides, insecticides, biologicals, and fertilizer.

DIRECTIONS

Always follow pesticide manufacturer's label for rates and mixing order. In the absence of a surfactant recommendation on the pesticide label, use 1 to 3 qt/100 gal. **BLAZE** is concentrated and most herbicides will only require 1 to 2 qt/100 gal.

BLAZE™

Unique Nonionic Surfactant Blend

INGREDIENTS

Proprietary blend of surfactants and formulation aids 100%

All ingredients are exempt from requirements of a tolerance as specified in federal regulation 40 CFR 180.1001

NET CONTENT: 1 Gallon (3.78 liters)
WEIGHT: 8.45 lb/gal

WARNING:
May be harmful if swallowed.
Causes eye irritation.
May be harmful if inhaled.

PRECAUTIONARY STATEMENTS: Do not eat, drink or smoke when using this product. Wash thoroughly after handling. Avoid breathing dust/fumes/gas/mist/vapours/spray. Use only outdoors or in a well-ventilated area. **If swallowed:** Call a POISON CENTER or doctor/physician if you feel unwell. **If in eyes:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do - continue rinsing. If eye irritation persists get medical advice/attention. **If inhaled:** Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor/physician if you feel unwell.

FIRST AID:

Eye contact: Check for and remove contact lenses. Immediately flush eyes with plenty of water for at least 15 minutes, occasionally lifting the upper and lower eyelids. Get medical attention immediately. **Inhalation:** Move exposed person to fresh air. If breathing is irregular or if respiratory arrest occurs, provide artificial respiration or oxygen by trained personnel. Loosen clothing. Get medical attention immediately. **Ingestion:** Wash out mouth with water. Do not induce vomiting unless directed to do so by medical personnel. Never give anything by mouth to an unconscious person. Get medical attention immediately.
