BLAZE CONCENTRATE™ is specifically formulated for companies to develop their own surfactant or multi-functional adjuvant products. The blend of surfactants can significantly enhance performance when pesticide labels recommend or require additional surfactant.

BLAZE CONCENTRATE is also very efficacious with herbicides, fungicides, insecticides, biologicals, and fertilizers.

Seller makes no warranty of fitness or merchantability. Buyer agrees that seller's maximum liability shall not exceed the purchase price of this product.

WARNING: May be harmful if swallowed.

Causes eye irritation. May be harmful if inhaled.

PRECAUTIONARY STATEMENTS: Do not eat, drink or smoke when using this product. Wash thoroughly after handling. Avoid breathing dust/fumes/gas/mist/vapours/spray. Use only outdoors or in a well-ventilated area. **If swallowed:** Call a POISON CENTER or doctor/physician if you feel unwell. **If in eyes:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do - continue rinsing. If eye irritation persists get medical advice/attention. **If inhaled:** Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor/physician if you feel unwell.

FIRST AID:

Eye contact: Check for and remove contact lenses. Immediately flush eyes with plenty of water for at least 15 minutes, occasionally lifting the upper and lower eyelids. Get medical attention immediately. **Inhalation:** Move exposed person to fresh air. If breathing is irregular or if respiratory arrest occurs, provide artificial respiration or oxygen by trained personnel. Loosen clothing. Get medical attention immediately. **Ingestion:** Wash out mouth with water. Do not induce vomiting unless directed to do so by medical personnel. Never give anything by mouth to an unconscious person. Get medical attention immediately.
